## INTRODUCTION

The *Holmes County Business Directory* is a valuable source of information on many of the businesses located in and around Holmes County. Published once a year, this directory is available to all in Holmes County and is a simple and easy way to find a particular service or product locally. This is a great opportunity to showcase your business and, at the same time, motivate our community to support local businesses.

These copies are available for pickup at the Holmes County Chamber of Commerce's office in Millersburg. We also have racks in a number of local businesses where both locals and tourists can pick them up, and we have been keeping these stocked throughout the year.

If you are located outside of Holmes County, you will need to become a member of the Holmes County Chamber of Commerce in order to place an ad in the Business Directory. For questions about this or to become a member, please contact Tiffany Gerber at [tiffany@holmescountychamber.com](mailto:tiffany@holmescountychamber.com).

For any questions concerning the HCBD, please feel free to call 330-600-3089.
